

# PLUMBING

SERVICES

IS YOUR COMPANY SEEKING INNOVATIVE SOLUTIONS FOR COMMERCIAL AND RESIDENTIAL CONSTRUCTION AND MAINTENANCE?

WE ARE COMMITTED TO THE SUCCESS OF YOUR PROJECTS, REGARDLESS OF THEIR SCOPE.

BUSINESS CASE

## CHALLENGE

Retrofit a pre-1970 plumbing system, involving rigorous and meticulous work to prevent damage to the external components of the system, which the client wished to preserve.

## SOLUTION

Blais Industries stood out with a brief analysis resulting in a number of solutions offered. The client then chose the option they preferred to begin the work.

## RESULTS

The client opted for a tailor-made solution based on the information provided. The personalized approach ensured a tailored service that met their expectations while perfectly fulfilling their needs.

Health and safety, respect budgets and timelines are the objectives we must follow for all our customers.

Our experienced team strives to achieve these objectives with complete transparency.

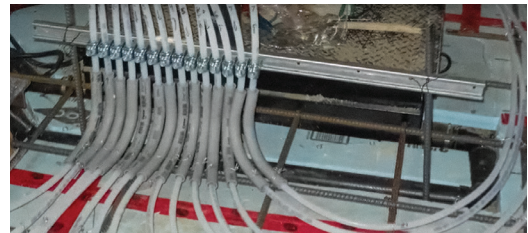

You can rely on the expertise of a competent and experienced company for the installation of heating systems, bathroom and kitchen renovations, verification of backflow prevention devices or sanitary drains.

## OUR SERVICES

You can rely on our offer of installation solutions adapted and assembled beyond your expectations and in due time:

- Land installation
- Residential and institutional piping installation and repair
- Installation and repair of glycol radiant heating systems
- Installation and maintenance of Hydro-Solution tanks
